### **Klarstellung für 2. und 3. Etappe / Clarification for the Stage 2 and 3**

--> Startnummern anbringen: wie im technischen Leitfaden gezeigt, beide Nummern in voller Größe nicht gefaltet, beide aufrecht und etwas lose auf dem Trikot befestigen, nicht zu eng anliegend, sonst kann kein Signal registriert werden.

--> How to put on the Numbers: like shown in the technical Guide: both Numbers, upright, in full size (not folded) and not too tight on the body, better attach the number a little loose on the Jersey, otherwise we have no registration of the signal.

--> Funkgeräte und Materialwagennummern: können vor dem Siegererhebungspodest abgeholt werden. Bitte Lizenz vorzeigen.

--> Radios and Teamcar numbers can be picked up at the winner ceremony trailer next to the Jury-truck. Please bring your license.
